## First-class entertainment and style.

Entertainment gets bigger, better and brighter. Introducing the stunning HP Pavilion dv9500 series Entertainment Notebook PC. Now with eye-popping high-definition visual brilliance. Beyond the style and gloss of its exterior, this first-class notebook is geared to deliver an entertainment experience nothing short of distinctive.

The HP Pavilion dv9500 series Entertainment Notebook PC is built on a new revolutionary platform. With larger hard disk space, more robust memory, enhanced graphics and full high-definition support, entertainment has just been taken to the next level.

### Multiplied possibilities

Expand the capabilities of your notebook and multiply your computing possibilities, with slots for expansion cards and optional connectors for peripherals such as printers and even a full-sized keyboard and external monitor. Now you can enjoy versatility and mobility all at the same time.

### All sounds perfect

Movies, music and games come to glorious life with the Altec Lansing speaker system. Its premium sound quality injects more thrills to your entertainment. And with dual headphone jacks, the privilege is yours to share this entertainment experience with a loved one.

### Be entertained instantly

HP QuickPlay 3.2 now gives you high-definition thrills with full HD-DVD support. Launch your choice of entertainment with instant access to the quick launch buttons. It's convenience and pleasure at your fingertips.

### Point, click and play

Manage your entertainment comfortably from a distance with the HP Mobile Remote*. Remotely turn on/off default applications to play music and DVDs. Simply point and click, and your notebook becomes an entertainment hub.

Enjoy greater expansion capabilities and versatility

HP QuickPlay 3.2 delivers instantaneous entertainment

HP Mobile Remote* lets you control your entertainment comfortably from afar

* Optional, sold separately.

## Instant entertainment with one-touch media buttons

Fast, easy access to your entertainment is now at your fingertips. Pull out DVDs, music and photos with just one touch of a button.

### Entertainment right now

An array of backlit quick launch buttons allows you to play any preloaded DVD with just one touch—select the music or photo albums you wish to enjoy with the quick launch button. HP QuickPlay 3.2 rapidly delivers you the entertainment you desire.

### Entertainment even in the dark

Each media control button is backlit for easy access even under dim conditions—press play, pause, forward or rewind with ease.

# Mega-sized entertainment

### Sumptuous visuals

Enjoy a panoramic visual treat with a 17-inch widescreen high definition display, featuring optional HP Ultra BrightView technology with a choice of single or dual lamps.

### Larger-than-life entertainment

Optional HDMI support transforms your notebook into a home theatre system, on the go. Choose NVIDIA GeForce 8600M GS graphic card with up to 256 MB dedicated memory* for an impressive, high-definition entertainment experience like no other.

### Enhanced performance

The revolutionary Intel® Core™2 Duo Processor frees you to do more of the things you love, where and when you want. Watch movies, play games, surf the Net with high-powered performance.

### Authorised access only

The optional HP Integrated Fingerprint reader gives increased security. Execute online transactions and more with total peace of mind.

### Show and tell

Get more out of your conversations with HP Pavilion webcam and 2 integrated microphones.

### High-definition thrills

With the crystal-clear and life-like image quality of HD DVD, you'll never want to go back to standard DVDs ever again.

### A signature of distinction

The brand new HP Imprint features a pattern of graceful swirls, reflecting the fluidity of HP's technology and the savvy of its user.
